

Lucky Dube

That's the way it is

Didn't I raise my.....
High enough for you
I was running like a..... all the
time
Risking from my own
people yeah
Now that you got what you wanted
You don't even..... my name
It's so, we don't talk anymore
Be good to the people on your
Way up the ladder
Cause you'll need them on your way
down

Chorus [x4]

That's the way it is

(That's the way it is)

Didn't I raise my..... high enough
for you
I guess I can't pat myself on the
shoulder
For a job well done
Dodging in the streets
I was there
Risking from my own
people
Now that you got what you wanted
You don't even know my name
remember
Be good to the people on your way
Up the ladder 'cause you'll need
Them on your way down

Chorus [fades]

That's the way it is
